TERMS & CONDITIONS

1. AI-Generated Quotation
This quotation has been generated using an AI-assisted estimation engine. While every effort has been made to ensure accuracy, Intellectz Release QA alpha reserves the right to review, revise, or reissue this quotation at any stage prior to production commencement. The quotation is indicative in nature and does not constitute a binding contract until formally confirmed in writing by an authorised representative of Intellectz Release QA alpha.

2. Right to Amend
Intellectz Release QA alpha reserves the right to amend pricing, specifications, material grades, or scope at any point before production begins, including but not limited to changes arising from material price revisions, supplier availability, measurement discrepancies, or errors identified during final technical review. Any such amendments will be communicated to the customer for re-approval before production proceeds.

3. Assumptions & Estimates
This quotation is based on information provided by the customer at the time of inquiry. Any dimensions, specifications, or selections assumed by the system are flagged within the quotation. Intellectz Release QA alpha accepts no liability for errors arising from incomplete, inaccurate, or ambiguous customer-provided inputs. Final quantities and pricing are subject to verification against approved drawings and confirmed specifications.

4. Pricing Validity
Prices quoted are valid for 30 days from the date of issue, subject to no change in material costs, GST rates, or supplier pricing during that period. Intellectz Release QA alpha reserves the right to reissue a revised quotation if market conditions change materially within the validity period.
